ABOUT AVALOCH

Avaloch Farm Music Institute is a residential arts center designed to serve as a catalyst for unfettered artistic exploration, creation and performance. AFMI provides an environment to inspire and empower early, mid-career and distinguished musicians to develop meaningful artistic content and collaborations to share with the world-at-large.

We also seek to serve as a cultural hub for the Boscawen NH, northern New England community through revitalizing and enriching the artistic landscape with curated public performances, artistic partnerships and educational opportunities.

SUPPORTING AVALOCH

We would not be able to sustain this program without the generous support of donors, foundations and sponsors. If you are in a position to do so, we encourage you to consider a donation to AFMI to help us continue to enhance and expand the program, upgrade facilities and invest in A/V equipment to better serve both our musicians and the community. If you are unable to offer financial support at this time, we are always looking for volunteers to help us coordinate our public events and spread the word to the community! Please feel free to contact us at avalochfarm@gmail.com for more information. All forms of support help to make this a sustainable endeavour!
